

Wygate Park Academy 'Pick and Mix' Homework

Year 1 – Summer 1

This 'Pick and Mix' homework is for the whole half term. **Red** Boxes need to be completed regularly each week. **Yellow** Boxes must be done at some point during the half term. Challenge yourself to the **green** box activities. These do not have to be done, but if you want to push yourself, that would be super!

Remember – your Home Learning Journal must be returned to school each Wednesday for Miss Thompson to mark.

Reading

You must read at least 3 times a week at home. Each time ask an adult to write a comment and sign your reading record.

Complete by: 30.4.25

Writing task

Make a poster or a leaflet all about the planet earth showing how we can help, protect and save.

Art

Create a spring tree. You can draw, paint, collage your painting. Remember the techniques we learnt last term in art. Be creative!

Complete by: 7.5.25

Reading Task

Read the facts about Amy Johnson together with a grown up and answer the questions (sheet provided)

DI

Research different type of aeroplanes – can you junk model your favourite aeroplane using materials you might find at home – you could always paint it too!! 😊

Science – Forces

Which material does a car travel the furthest on? Carry out a test to see which material needs the most and least force when you push a car along it. You could measure how far your car travels.

Research your favourite aeroplane and make a factfile all about it!

Spelling/Phonics

Every Friday you will receive spellings to be learnt for a test on the following Monday. These spellings will be in line with the sounds learnt during our phonics lessons.

Can you write a poem all about a tree – you can perform this to your friends!

Make space themed cakes and write a set of instructions to show how to make them.

Complete by: 14.5.25

Writing Task

Write a description about the superhero provided. Remember to use adjectives to describe and don't forget capital letters and full stops.

Research Tim Peak. Make a fact file all about his life. What has he achieved? Why is he significant?

Complete by: 21.5.25

Maths Task

Make your very own pizza, cake or cookie and show the different fractions **whole, half and quarters.**

Write your own air adventure story – what is your story going to be called? What sort of adventures will you get up to?

Number Facts

Practice counting forwards and backwards in 2's, 5s and 10's. Extra challenge – start your timetables from a random number. e.g count in 2's starting at 10.

Please tick and initial the activities your child has completed.
